COACHES AND PARENTS:

Picture Date and Picture Time listed above.

PARENTS:

Please arrive at your assigned picture time (one hour prior to game time).

If you know you will NOT be ordering individual pictures, there is no need for your child to take an individual picture. However, please ensure they are gathered with their coach so they will be sure to be included in the team picture. If you are wanting individual pictures, please ensure your child has their picture taken. Given past experiences, you cannot trust that they do it. Make sure you are there to ensure it. Thank you!

COACHES:

You will see signs for TEAM GATHERING areas or lines for individual pics. In order to get you in and out in a timely manner, please gather your team **ONE HOUR before Game Time** or as soon as they all arrive. There are multiple teams at the same time and we can ensure to get you through much quicker if you can assemble your *entire team* as soon as possible. I will have an assistant with me as I take pics. Please let her know when your **ENTIRE TEAM** is present and ready for the team pic. Please ensure the parents assist you in keeping the kids together. We have made two picture days to speed up this process and make it more organized and less stressful for everyone.

NOTE:

Please remember to be patient with us. It is picture day :) Some game time hours have up to 6 teams scheduled. It's just the way the schedule falls. We move as fast as we can. You can greatly help us by gathering with your coach and staying together. Parents, you can be a big help for the coaches here. Thank you all for your help! God bless ><>

MAKE UP DATES WILL BE ANNOUNCED AT A LATER DATE BY MTFC (IF NECESSARY).
