## Coaches:

Game Time and Picture Time listed above. In order to get you in and out in a timely manner, please gather your team **ONE HOUR before Game Time**. There are multiple teams at the same time and we can ensure to get you through much quicker if you can assemble your entire team one hour prior to game time. We will prioritize individual pictures, in any order, as the kids are ready. We don't have to wait for complete teams to do individual pics. But once your entire team is assembled, we can take the team pic. Please ensure the parents assist you in keeping the kids together. We have made multiple picture days to speed up this process and make it more organized and less stressful for everyone. Rainout dates will be May 13 and May 20. We will communicate that when and if necessary.

Please inform parents we will accept Cash, Credit / Debit, Venmo. We will have change, but please bring exact cash, if possible. Cash is preferred, as other methods have fees attached (5% added to Credit / Debit / Venmo). Taxes are already included in the listed prices on the order form. Also, the process will go much faster if parents fill out order form **PRIOR** to showing up. The order form will be emailed and they can print in advance.

If all pieces of this puzzle move together, this will be a more efficient process over previous years. I have worked hard on trying to find the best way to improve the logistics. Splitting up the days was really the best and only option. The league continues to grow! Thank you so much for your help! God bless ><> Chris Lassiter

#### **ATTENTION PARENTS:**

For expedited service and convenience, you will notice there are 3 PICTURE DAYS. I have split this up to speed up the process and help with the long lines. Your coach and the league will communicate your date with you.

\*Please pre-print your form, bring cash if possible (exact change) and ensure you show up ONE HOUR before game time. This will help us get you to your game on time. Your coach will have the schedule for your picture day and you will be notified of a rain out date (if necessary) through the league email and also through your coach.

\*Escort your child to the area and ensure they get their picture taken if you are purchasing and they are at least in the team photo. I have no way of knowing who is ordering until after the event when I reconcile the photos with the orders.

We look forward to seeing you on Picture Days. Thank you so much for your support!
